## 150 Best Beauty Buys The Ultimate Shopping List

## Professionals select M.D. FORTÉ® products as 2003's "Best Buys"

Leading dermatologists, makeup artists, and aestheticians name the products they love most in InStyle magazine's annual poll.

**60 AHA/BHA Cream Exfoliant**  
**M.D. FORTÉ® GLYCARÉ CLEANSING GEL**

"Made with a whopping 15 percent glycolic compound, this cleanser balances skin tone and texture. It also removes makeup, unclogs pores, and helps prevent and heal acne ..." notes NYC dermatologist.

**76 Moisturizing Facial Mask**  
**M.D. FORTÉ® SKIN REJUVENATION HYDRA-MASQUE**

"Many skin specialists consider this the gold standard of facial masks ... it hydrates the skin while it exfoliates ..." explains NYC dermatologist.

Judged on value, efficacy, and ease of use, only a handful of exfoliants and facial masks were selected this year, including:

**Glycare Cleansing Gel**

Cleanses and clarifies oily skin without damaging skin's natural resilience. Intended for extremely oily skin.

**Skin Rejuvenation Hydra-Masque**

Instantly smoothes, refines, and hydrates skin. Provides the antioxidantizing power of vitamin E to protect against future skin damage. Use twice weekly or as needed.
